Word from Our Pastor

Welcome to Lent!

It's a time to focus on prayer, sacrifice and giving to others. We spend extra time getting together to learn, eat and worship on Wednesdays. This year our theme is Farming with God. What a better theme for a rural area than that. God's scriptures are filled with farming stories and examples. Many of us have also lived on or near farms and being inspired by God's provision through those experiences. Our worship will be led by our confirmation students with scripture, skits and prayer. The offering boxes on our dinner tables will be combined so that the youth can then send farming supplies and/or animals to a village elsewhere in the world that needs a hand-up. So come on Wednesdays to share in Lent and to support the spiritual growth of our youth.

Are you looking for more resources in your faith life this Lent? Would you be willing to consider some? The website enterthebible.org is a great resource from Luther Seminary to give background and invaluable information on every book of the Bible. Another Luther resource is God Pause. It's a daily devotion written by alumni. You can find it at <https://www.luthersem.edu/godpause/> and even sign up there for daily emails if you'd prefer. We also offer Bible study each Monday 9:30am at Georgetown and 7pm at Trinity. No experience is necessary. All are welcome. Also, don't forget about Sunday School and confirmation classes. Do you know kids that need either? Invite and bring them. Membership is not required for their families to benefit from this education. Also, if you invite people please remember to mention that these opportunities are free. It's amazing how many times I've been asked what the cost is. Money should be no barrier.

Finally, have a blessed and wonderful Lent. I look forward to walking toward Easter with all of you.

Peace,

Pastor Diane Norstad
